**INFORMATION LETTER**

**On May 24, 2023**, the International University of Astana holds an International Scientific and Practical Conference on the topic: **“AIU-2023: Analyze. Innovate. Use”** dedicated to the 5th anniversary of the university and the 95th anniversary of the Pedagogical College.

Scholars, academics, doctoral students, master’s students, students from local and foreign higher education institutions can take part in the conference.

The conference will take place in the form of a plenary conference and sectional reports in the following areas:

1. Topical issues and prospects for the development of legal science
2. Design research in the context of modern culture
3. Topical issues of natural science
4. Topical issues of social and humanities
5. Modern economic science: problems, trends, prospects
6. Education of the 21st century: traditions and innovations
7. Modern problems of physics and development of renewable energy sources
8. Topical issues of modern psychology
9. Topical issues of teaching the Kazakh and Russian language and literature: school, college, university
10. Current trends in teaching foreign languages: Search and prospects
11. Mathematics and methodology for teaching mathematics

**The conference will be held in offline/online formats at the address: 8 Kabanbay Batyr, 2nd floor (Astana International University).**

Date and time: May 24, 2023, 10.00 a.m. - plenary session, 2.00 p.m. - sectional meetings.

Languages: Kazakh, Russian, English.

As a result of the conference, a jubilee electronic collection of materials is planned for publication. Materials received by the organizing committee after the specified deadline will not be considered for review or publication. The organizing committee reserves the right to reject materials that do not meet the requirements. Accepted materials will not be returned to the authors.

**FORMATTING REQUIREMENTS FOR A PAPER**

Articles up to 8 pages, including illustrations and a list of references, are to be submitted for the conference. The article should be typed in the text editor of Microsoft Word, the format of the file .doc., Times New Roman - 14, A4 paper size, portrait orientation, margins: top - 2cm, bottom - 2 cm, left - 3 cm, right - 1, 5 cm., line spacing - single, paragraph -1.25 cm.

The first line of (IRSTI) International Rubricator of Scientific and Technical Information, the third line is the full title of the article in bold capital letters, text alignment is centered. The

fifth line is the author or authors (initials, surname), academic degree, academic title (if there is any). The sixth line is the name of the organization, the city, the country. The seventh line is the author's email address. The ninth line is the main text of the article.

The text may include figures, tables. References to sources are indicated in square brackets, the numbering of references is continuous throughout the text. The full bibliographic list is given at the end of the article. The article must be carefully edited in compliance with all requirements. The materials will be published in the author's edition, and the authors are responsible for the content of the article. The article is submitted along with an application.

Online registration for the conference will be until May 15, 2023, via the link <https://www.aiu.edu.kz/ru/science/conf/8>. It is necessary to select the section name, upload the participant application (name the application "Name\_Surname\_Application"), and the article (name the article "Name\_Surname\_Article"), formatted according to the requirements (see Appendices 1, 2).

Thank you for your interest in the conference!
